

YawnBuster®

Involve Everyone in Your Presentation

With YawnBuster, you can easily add high-impact group activities to your PowerPoint slides.

YawnBuster brings alive your PowerPoint slides with Group Activities such as audience polls, games, group exercises and competitions. Now you can get your audience to think, enjoy, participate and identify key takeaways quickly and easily.

YawnBuster Benefits:

With YawnBuster, you get:

- Ready Flash templates for Group Activities
- Group Activities which are embeddable right inside PowerPoint
- Easy customization, which requires no technical skills
- Single PowerPoint file that bundles all Group Activities

With YawnBuster, you always have undivided attention of your audience: after all, they aren't just watching PowerPoint slides any more - they are interacting with you.

YawnBuster Group Activities

YawnBuster provides many high-impact Group Activities classified as: Participation Enhancers, Strategy Games, TV Game Shows, Letter Games, Audience Collaboration Activities, Breathers and more!

Participation Enhancers

Using these Group Activities, you can conduct quick polls and invite ideas to understand your customer needs. Capture and summarize action items and questions right inside your PowerPoint to define the follow up plan accurately.

Audience Collaboration Activities

Using these Group Activities, you can get your audience to do focused thinking to debate and collaborate and arrive at a consensus.

Breathers

With these group activities, you can challenge your audience and generate a healthy competition with some great fun games!

Strategy Games

Let learners develop their powers to strategize with these Group Activities. Groups also learn to develop healthy competition amongst each other.

TV Game Shows

These attention-grabbing group activities are useful to motivate learners. Each activity is useful to generate excitement whilst learners answer questions in a fun-filled environment.

Letter Games

Group activities belonging to this category involve learners easily into sessions. These test vocabulary and knowledge skills.
