

# YawnBuster® Connect

Audience Response System

With YawnBuster Connect, you can easily get your audience involved in your presentations and connect with them easily. You can collect and show audience responses on your PowerPoint slides in real time.

## YawnBuster Connect Benefits

With YawnBuster Connect you get,

- Collaborative audience responses
- Instant display of responses in the PowerPoint
- Facility to save the responses for later use/analysis
- Easy usage with no special hardware requirement for Presenter and Audience

With YawnBuster, you always have undivided attention of your audience: after all, they aren't just watching PowerPoint slides any more - they are interacting with you.

## YawnBuster Connect System Requirements
